

Beyond Science, Beyond Religion, Beyond Compare! This intriguing book, 'Christmas The Christ-Jesus Event that Changed Human Evolution' by Dame Ysatis De Saint-Simone reveals to us a well-guarded secret that will indeed change your life for it is connected to our own evolution. A great mystery contained in this Heavenly-Earthly Event that is Christmas, the birth of the Cosmic Power of the Christ in the human form of Jesus of Nazareth. A Grand Event that changed the count of Time, History and human Evolution.

Christmas is presented here as a Mystery understood by few – or none – a Mystery whose cosmic and evolutionary dimensions vital for our spiritual and human evolution found solely in the Archeological writings of the Sanhedrim and the Talmuds of the Jews, kept in the Vatican Library Vaults and the Mosque of Saint Sophia in Constantinople, where they were gathered by Emperor Constantine and kept since 337 A.D., and zealously protected by Mohamed when he took Constantinople.

Know that there is no piece of history to be found like this in the entire world, but in The Christmas Story and the Source of its research. Dame De Saint-Simone, a true Theological Investigator does it again, by disclosing to us this secret fruit of her deep research, as she did in her spell-bounding book 'Genesis 2000' based on the reconstruction of the Hebrew language to its original purity by the great French etymologist and linguist Fabre d'Olivet.

'Christmas The Christ-Jesus Event That Changed Human Evolution' is based on research of official documents made in the Jewish courts in the days of Jesus Christ translated by Drs. McIntosh and Twyman of the Antiquarian Lodge of Genoa, Italy and records of the Senatorial Docket taken from the Vatican Library at Rome.

If you want to know the whole story of Christmas, not just the small toned-down fragment of it in the Gospels, but the unabridged testimony of what happened, the night the Christ-Jesus was born of first hand witnesses as the Bethlehem shepherds and of Melker, the Jewish priest at the Synagogue of Bethlehem, whose deep and profound letter to the Sanhedrim of the Jews is not only historic testimony of the events that happened that night, but also a prophetic statement of a man well versed in prophecy who said that of all great events this one of Bethlehem is the grandest of all, and stating to the Masters of the High Court of the Sanhedrim that this event of the birth of Jesus of Nazareth and the birth of John the Baptist, the forerunner fulfilled all the prophecies of the so much expected coming of the Redeemer of men!

Melker's letter is a deep and profound historic document, containing Knowledge of higher things vital for our inner growth and our evolution; and it is given in its exact unabridged version for the first time in history to the general public. This letter in itself is worth more than any other description of what Christmas truly is.

The Splendor of Christmas shines as never before in 'The Christmas Story' giving those souls who search for Love and Peace - regardless of creed – as Love doesn't discriminate, manifold blessings revealing to their mind untold dimensions of the Christ-Jesus Birth Event that raise its understanding beyond dogma and concepts into an indescribable bliss aid to their spiritual growth.

In our society Christmas has been nearly reduced to a yearly rite, family dinners and a tremendous buying and selling rush to exchange gifts. Material gifts and pastimes are fine, but they tend to obliterate the true Spirit of Love and the Splendor of the Gift of God to us - this Great Mystery closely linked to our evolution that some of us have maybe only begun to comprehend. . So, this little book Christmas The Christ Jesus Event that Changed Human Evolution sealed with God's Love comes like all things of God's Providences, always out at the right moment – just on time!.'
